They didn't provide a rationale. I can go back and ask. Maybe it is because we have invited CSIS to this briefing, whereas I believe the briefing for Minister Mendicino was strictly with RCMP. We invited CSIS to cover the threat assessment dimension, and further to the questions we discussed yesterday about prominent US individuals.

What's the rationale?
This is an update about what Mendicino was already briefed on.

Zita, please see below. Are you ok if we extend invite to Minister Mendicino to attend the briefing with Min Blair at 1:30pm?

Hi Jacquie, Minister Mendicino has requested to attend the briefing. Could I ask your office to please extend the invitation to him and his Chief of Staff, Mike Jones?

Many thanks,
Bronwyn

Hi Jacquie, I've given a heads up to the offices of the RCMP Commissioner and the CSIS Director to let them know that PCO will be sending an invitation tomorrow for this briefing. If you need anything further from me, let me know.
